TIPS AND STRATEGY (1:36 PM)

- Prepare optional before the Prelims examination
- Set targets to achieve for each subject and plan ahead accordingly
- Choosing an optional subject?
- 1. Go through PYQ
- 2. Find subjects that you like
- Put a check and judge your work/study on a daily basis and adjust accordingly
- Find the reason(s) why you want to prepare for the examination
- Know your fears and try conquering them one step at a time
- Find some motivational quotes/poems/poems
- Don't wait for motivation as it may come and go, but instead, go for determination
- Strategy for Current Affairs- PT365 and Mains365 before the exam and daily insights on a daily basis
- Identify important topics for the Mains
- Do exercise for performance improvement and stay healthy
- Take timely and adequate sleep
- Ask doubts and be curious about things while studying
- Identify priority areas and subjects and make sure questions from those sections do not go wrong
- Don't wait for the right time, start writing answers/essays and get feedback on it
